NEXT VOTE TO CHOOSE TRUSTEES

School Board Elections Will Take Place Friday

LOCAL CONTEST

Three Out for Two Sequoia High Places

With the charter amendment election out of the way, voters are now turning their attention to the school board elections which will take place Friday.

A contest for seats on the Sequoia Union High School board is being waged by Charles H. Merrill, Merritt R. Hosmer and August J. Fromm.

Merrill, whose home is in Menlo Park, represents the southern end of the high school district. He is serving his sixth year on the board.

Hosmer, of San Carlos, represents the northern end of the district. He has been on the board for two years.

Fromm is a well known hotel man of Redwood City.

Other members of the board are all residents of Redwood City. They are James D. Hedge, president; Walter W. Hilton, secretary, and Walter T. Kellogg, all of Redwood City.

Fromm, in a statement today, pledges "a new deal to the voters of the high school district." He also promises to "endeavor to eliminate all non-essential administration costs" and to work for "reduced operation costs consistent with a high standard of education."

C. G. Uhlenberg is unopposed for re-election to membership on the Redwood City Elementary School Board.

The polling place here will be at Central school on Broadway, and the local polls will be open from 6 a. m. to 7 p. m.

Other polling places will be at the elementary schools in Belmont, San Carlos, Las Lomitas, Woodside, Portola, Menlo Park and Ravenswood.

WOODSIDE ELECTION

An election for school trustee will be held next Friday afternoon at the Woodside school house. The term of George Shine expires at this time an dhe is named for re-election. The polls will be open from one until six.

Former S. F. Broker Is Divorced Here

Mrs. Leslie Jacobs Simon of San Francisco, well-to-do former resident of this county, was granted a final decree of divorce here today by Superior Judge Franklin Swart against Julian E. Simon, former San Francisco brokerage house partner.

She was granted custody of their two children, John, 6, and Elizabeth, 2. The ground was cruelty. The couple was married in San Francisco, September 6, 1925.

GIRL HURT IN CRASH

BURLINGAME, Mar. 28.—Miss Carmillo Mancuso, 22, of Campbell, was cut and bruised when the car of Henry J. Trost, San Francisco, and that of James Buffa, Redwood City, collided Sunday afternoon at Bayshore and Howard avenue.

Jig-Saw Puzzle Being Used to Teach Classes

"For the remainder of the hour, we will attempt to locate the missing piece of the 300-piece jig saw puzzle and see if it fits near Berlin."

So speaks Miss Julienne Wolters, German teacher and vocational adviser at Sequoia Union High School to her classes. Miss Wolters has taken advantage of the latest fad to sweep America, and has had Daniel Sisson, freshman student, paste two large maps of Germany on three-ply wood and cut out jig-saw pieces for the amusement and education of the German classes.

"By the time the class assembles the puzzles two or three times, the pupils gain a comprehensive idea of Germany's geography," Miss Wolters said.

In addition, she has 30 smaller puzzles under way which will enable the students to familiarize themselves with famous locations in Germany. The idea has taken so well that there is a waiting list to do the puzzles at home.

Pioneer of R. C. Who Knew Lincoln Passes, Aged 104

The last rites for William C. Clark, a former resident of Redwood City, were held at the chapel of the James Crowe Company Wednesday afternoon. The body arrived from San Diego the day before. Mr. Clark passed away last Monday at the ripe old age of 104 years. The remains were interred in the family plot in Union Cemetery.

Mr. Clark came to Redwood City in 1856 and lived here for 27 years. In the seventies he was a constable for many years and was the first auctioneer in the county. He went to San Diego, then a small village, in 1883. He became a prominent citizen of the southern town. He served several terms as a justice of the peace and a constable and other positions of honor.

Clark knew Abraham Lincoln intimately, when he was known as Abe the lawyer.

At the funeral services on Wednesday there were only five residents of the city present who knew the aged man when he resided here. They were H. W. Schaberg, D. E. O'Keefe, Asa Hull, Mrs. Lila Kirkpatrick and Maurice Woodhams.

Married In 1858

Clark married Rebecca Teague, of an old pioneer San Mateo county family, here in 1858. He had settled here about two years before after crossing the plains from Springfield, Ill., in 1853. Miss Teague was the daughter of Andrew and Permelia Teague. Mrs. Clark died in 1880 and in 1883 Clark moved to San Diego. He has resided there since.

Blind and feeble at the end, Clark nevertheless had a clear memory of his youth in Springfield, Ill., the Associated Press reports. He was a clerk in a grocery where Lincoln came in evenings from time to time.

Tells of Lincoln Party

On his 100th birthday, four years ago, Clark told of a party he attended in Springfield many years ago.

"Abe Lincoln was there, and Ann Rutledge and several other young people," he said. "We played music and games. I could not help but notice that Abe paid particular attention to Ann, although his actions were those of a very bashful country boy."

Clark was born at Fancy Creek, 10 miles from Springfield, Ill.

He is survived by a son, George W. Clark of Oakland, and Mrs. John W. Herd of Bakersfield a daughter.

RED CROSS HERE TOPS ITS QUOTA

Redwood City's Red Cross chapter today completed collection of the $550 assigned to it by the American Red Cross in connection with the campaign for funds to relieve victims of the Southern California earthquake.

Mrs. William J. Dusel, who was chairman of the quake relief drive locally, said:

"As chairman of the committee, I wish to express personal thanks and appreciation to all who so generously and charitably contributed to the relief of our stricken southland; to The Tribune for its co-operation in the giving of publicity which was so essential in the drive; to Mr. Thomas Kane of the Sequoia Theatre for the urgent appeal made daily on the screen; and to the girls of the Order of Rainbow, whose efforts brought us $190 nearer our goal. I also want to thank the many school children and the local schools for their splendid assistance."

Organizations participating included the following, according to Mrs. Dusel:

Congregational church, Baptist church, Episcopal church, Kiwanis Club, Exchange Club, First National Bank, Bank of America, Native Sons, Native Daughters, American Legion, Women's Auxiliary of the legion; Veterans of Foreign Wars, Order of De Molay, Order of Eastern Star, Order of Rainbow for Girls, Woman's Club and City of Redwood City.

Mrs. Z. T. Thorning is chairman of the Redwood City chapter.

Early Day Settler Is Critically Ill

William T. Young, past 70, retired San Mateo painting contractor and a resident of San Mateo county for over half a century, suffered a stroke Sunday while visiting at the home of County Auditor Edward M. Stack in Burlingame.

Mr. Young's condition today was reported to be somewhat improved.

He is the father of Marjorie Young, stenographer in District Attorney Edmund Scott's office, and Mrs. Edna Clayton, of County Recorder T. C. Rice's office. There are also several other children.

Heir Files Suit for Share of Estate Due

Mrs. Hannah M. Diggles of Berkeley today sued Maria T. Carroll of Burlingame, widow of Bernard C. Carroll, former vice-president of the Pacific Telephone and Telegraph Company, to collect $2808 assertedly due from the estate.

The plaintiff is an aunt of Carroll's. She was left $1500 in his will. Carroll died in Burlingame on October 31, 1932.

Cement Executive Injured in Crash

BURLINGAME, Mar. 28.—Willard G. Gilson, 941 Jackling drive, Hillsborough, a cement company executive, was cut over the right eye Saturday night when his automobile and one driven by W. W. Crocker, San Francisco banker, collided here.

CALLAN KIN LOSE FIGHT OVER WILL

Because the signature of Matt Callan Sr., Colma pioneer, "bespeaks sobriety," Superior Judge Maxwell McNutt today sustained his will as a legal document and admitted it to probate.

Three of the 10 children sought to break it.

The judge's action followed a dramatic moment in court late yesterday which brought Judge McNutt face to face with former Superior Judge George H. Buck for the first time since the famous Flood will contest.

As Judge Buck approached the witness chair, Judge McNutt arose and the two men extended their hands.

"Glad to see you," said Judge McNutt.

"Same to you, sir," said Judge Buck.

The men then shook hands.

Judge Buck testified briefly, citing that he knew Callan for over 40 years and had never known him not to be competent. He also declared that Callan was not a man who could be easily influenced and that his attitude to his children and estranged wife was always kind.

The veteran former jurist was the last of a list of witnesses who had given similar testimony.

George Callan, son of the deceased, denied on the stand that he had ever used his influence over the father.

Matt Callan Jr., who was cut off with $10 from the $66,000 estate, charged that he had.

Young Callan alleged that his father had written the will while under the influence of liquor.

His counsel, H. Albert George, did not press the charge pleaded in the complaint that the father was of unsound mind, telling Judge McNutt that they believed he was competent at all times except when intoxicated.

Judge McNutt, touching upon this point, said:

"One significant thing here to me is that the signature on the will itself bespeaks sobriety. I don't think the man who wrote that would have exercised the muscular control he did if he had been drunk at the time. This is one physical fact in the case that nobody's testimony affects. It is the testator speaking for himself."

Daly City Woman In Divorce Plea

Mrs. Leona Stohlman, 327 Woodrow street, Daly City, today filed suit for divorce here against Walter Stohlman, alleging cruelty. They were married in Redwood City December 1, 1924, and separated March 20, last.

Hazel Troyer in Plea for Divorce

Mrs. Hazel Troyer today was granted an interlocutory decree of divorce from George Troyer by default. The decree was signed by Superior Judge Maxwell McNutt, who gave the plaintiff custody of the minor son, Joseph. The Troyers were married in Merced in 1930.

Single Ballot Settles Vote In Belmont

Halloran Edged Out In Election

BELMONT, Mar. 29.—With the defeat of James P. Halloran, by one vote, for a seat on the Belmont county water district, the city council will not assume control of the water district. The people's decision of the Belmont county water district election held yesterday is as follows:

L. A. Elsener heads the list with a vote of 308; Alexander Morrison, 289; Clifford Lussier, 284; Louis C. Vannier 281; Waldo J. Marra, 273; Halloran 272 and Errett Sackett, 256.

Elsener and Marra are the two incumbent members. Morrison, an independent candidate, was a former member on the water board but resigned on account of ill health. Vannier and Lussier are the two members of the city council that will sit on the board. In addition there is Mayor Chris L. Jordan, who already is a member of the water board. H. A. Hyne, the seventh member of the board, was appointed by the board of supervisors.

The citizens' committee for good government, several members of which were members of a former city council, were opposed strongly to the proposed transfer and consolidation of the water district with the city council.

At the close of the count Halloran made a verbal protest to the election, insofar as two of the ballots were marked with a pencil cross. The acceptance of these two votes gave Marra, the incumbent, a lead of one vote over Halloran, member of the city council.

The votes of 20 voters had to be challenged by the election board. Five hundred and twenty-four votes were cast, which is the largest vote ever to be cast at one precinct. The Belmont public school was the only precinct. Election officers were Mrs. John G. Smith, Gus Bayreuther, Mrs. Marcia Whipple and Frederick T. Martius.

Menlo Park

John M. Burnett, grand trustee of the Native Sons of the Golden West, will officially visit Menlo Parlor on April 5. All the members are requested to be present on this occasion. Mr. Burnett is a widely known lawyer of San Jose. After the meeting, refreshments are to be served.

The Catholic Youth Organization has secured space on the convent field near St. Joseph's parochial school in Menlo Park for a baseball diamond. Two teams have been organized among the members to practice on the field. No doubt some good players will be developed which may win honor for the local diamond.

Edward Derry, the local merchant, has begun the erection of an imposing residence on his property on the corner of Laurel and Cherry avenues. It is to be one of the attractive homes in that section.

Mrs. Estelle Longfellow, mother of Richard E. Longfellow, the local painter, passed away in a San Jose hospital on Saturday after a lingering illness. She leaves the following relatives to mourn her: two sons, Richard Longfellow of Menlo Park, and Merton Longfellow of Arizona; a brother, William H. Smith of Mountain View; and the following grandchildren: Ruth, Eleanor, and Richard Longfellow of Menlo Park.

Services held in the Anway Funeral Chapel in Mountain View on Monday were conducted by Mrs. Lester Small, a reader from the Mountain View Christian Science Church. Isabelle Lindquist sang two old favorite hymns at the chapel. Interment was at Alta Mesa Cemetery in Los Altos. When the service was completed Mrs. Lindquist sang "Nearer My God to Thee."

Mrs. Longfellow was an old resident of Mountain View and many of the old settlers in the community were numbered among her friends.

Mr. and Mrs. J. O. Hinmon moved to Mayfield. Mr. Hinmon conducted "My Valet Cleaner" on Santa Cruz avenue.

Mrs. Richard D. Girvin and Miss Mary Eyre, accompanied by their grand-niece, Miss Elena Madison will sail Friday on the Santa Paula for a trip to New York and Havana.

American Legion Post No. 443 and the auxiliary to the post held their monthly business meeting in the Legion Hall Tuesday night.

Mr. and Mrs. W. Klay (Dorothy Gale) were among the guests at a dinner given by Mr. and Mrs. Burl Brant of Los Altos Monday.

Mayor W. H. Weeden, K. L. Martin, City Engineer Bert Mehl and Manuel Romero returned from Sonora Tuesday. They left one of their Airway Stamp Mills in one of the larger mines. The return home was necessary because their supervision of the making of several machines for immediate delivery will require their presence here until these orders are completed.

Mayor and Mrs. W. Cronin of Santa Clara were guests of Mayor and Mrs. Weeden Monday.

Extensive improvements are being made at the Menlo Park Circus Club.

All the voters of Menlo Park are urged to go to the polls, at the Central school, today and vote for Charles Merrill for high school trustee. He is the only representative at this end of the district and if defeated this portion of the district that pays half the taxes will have no one on the board. It is important that everyone vote for him. Three candidates are running for two places, namely Charles Merrill, Merritt Hosmer, San Carlos, incumbents, and August Fromm, Redwood City. The latter place has three out of the five trustees at present. Merrill and Hosmer represent the two outside communities and should be retained on the board. The people of Menlo Park, Atherton and Runnymede should give Merrill a big vote.

Louis P. Boardman passed away in Los Angeles last Saturday following a long illness. He came to Menlo Park with his family when a small boy. After graduating in law from Stanford he began practice in San Francisco, being for a time connected with the law office of Samuel M. Shortridge. Many years ago he moved to Los Angeles where he built up a large business and became wealthy. Boardman was considered an able lawyer, hav-

ENGINEERS' TESTIMONY COSTS $195

O'Shaughnessy Puts In $100 Bill For La Honda Case

CO. DEBATES PAY

Supervisors Finally Approve Claim Of 'Experts'

Criticized by Supervisor John W. Poole of Redwood City as a "pretty stiff price to pay," a bill for $195 for testimony given at the La Honda court inquiry was given approval by the supervisors Monday.

The bill was presented by M. M. O'Shaughnessy, San Francisco city engineer, who asked $100 for the day's appearance and the inspection of the road; M. J. Callaghan, assistant San Francisco engineer, who asked $70, and Oswald Speir of Redwood City, consulting engineer, who charged $25.

Poole expressed a belief that the testimony of County Surveyor James S. James was just as competent as O'Shaughnessy's and of any of the other engineers.

Surveyor James, while not pressing payment of the bill, said he would advise the county to do so. He said if the expert outside testimony had not been secured, the court inquiry would have relegated to a mere battle of local engineers.

James revealed that he had paid $50 for attorney's fees to fight the charges brought by A. E. Kauffmann, South San Francisco taxpayer, that the road was improperly built.

The board at Dr. C. V. Thompson's suggestion agreed that this sum ought to be repaid to James.

The board granted the city and county of San Francisco a permit to lay a water pipe line along San Bruno road to supply the new San Francisco jail to be built near San Bruno.

Capt. Edward Macauley presented the weekly unemployment payroll which was approved for $9,063.

Fire District Insurance and Taxes Reduced

Menlo Park-Atherton Rate Lowered

MENLO PARK, Mar. 30.—Both fire insurance rates and the district tax in the Menlo Park-Atherton Fire District will be reduced this year, it became known here today with the receipt of a letter from Loren E. Bush, chief engineer of the board of fire underwriters, who has made a survey of the district.

The exact amount of the insurance reduction has not been decided, Bush said, but the fire district tax levy will be cut from 29 to 25 cents and the district budget reduced $15,000.

Strict economy methods, reduction of the number of fires through fire prevention methods last year and general improved efficiency of the district were cited as reasons for the reduction.

Bush, in his letter, attributed the reduction in insurance rates to improvements in the district fire department, addition of new equipment, installation of new hydrants, laying of new mains and valves by the Bear Bulch Water Company and changes in the telephone fire alarm system.

The district is made up of Menlo Park, Atherton, East Palo Alto, North Palo Alto and Ravenswood. The board is composed of James B. Howell, Charles H. Merrill and Frank W. Whipple.

Plaintiff is Dorothy Ruff, 17, through her guardian, George E. Ruff, also of Burlingame. Joseph F. O'Malley of Burlingame is counsel for the plaintiff.

Miss Ruff suffered a deep cut on the back of the head, concussion, bruises and contusions in a collision between the car in which she was riding and one operated by the defendants in Burlingame, February 7.

In a second suit against the Martins, Ethel Jackson, also 17, asks $10,000 for injuries incurred in the same mishap.

Miss Harriet Pugh is manager of the team and Miss Linscott will be one of the officials at the game, which will be played at Armour Hall. The game with Santa Rosa has been postponed until the 26th, and on Thursday a formal challenge was received from the Livermore high school.

Charlie Heiner's dog "Whiskers" had a hard time recently. It was locked up in one of the outbuildings of the kindergarden for 17 days and subsisted on bits of wood and the rain that leaked through the roof. Charlie thought that his dog was poisoned, so he rejoices at the return of his "Whiskers."

CHARTER CHANGES LOSE BY GOOD MARGIN HERE

Fund Transfer for Tax Reduction Also Lost

Opponents of public ownership of utilities won a big victory here Tuesday, when, at a special city election, the proposed charter amendment (A) to permit the council to purchase the power utility here through the Bartlett Plan was beaten by a vote of 710 to 1674.

At the same time, and by approximately the same vote, the proposed amendment (B) striking from the charter the provision requiring a cash reserve equal to 15 per cent of the book value of any utility before any of the surplus earnings can be applied to tax relief, was defeated. The vote was 715 to 1661.

About 50 per cent of the registered voters went to the polls. The Redwood City registration last August was 4902.

The vote by precincts was as follows:

(1) 2336 Broadway—A, Yes, 113; No, 248. B, Yes, 114; No, 244.
(2) 408 Stambaugh—A, Yes, 77; No, 217. B, Yes, 73; No, 218.
(3) Woodside road—A, Yes, 46; No, 175. B, Yes, 46; No, 174.
(4) 467 Lincoln—A, Yes, 51; No, 165. B, Yes, 50; No, 165.
(5) 242 Jackson—A, Yes, 92; No, 249. B, Yes, 98; No, 242.
(6) 228 Fulton—A, Yes, 92; No, 196. B, Yes, 92; No, 194.
(7) Woman's Club—A, Yes, 136; No, 283; B. Yes, 140; No, 281.
(8) Wellesley—A, Yes, 103; No, 141. B, Yes, 102; No, 143.

Mayor Regretful

Commenting upon the result of the election, Mayor William J. Dusel said today: "Both my colleagues on the council and myself are greatly disappointed. Speaking personally, I am still of the belief that the people will ultimately come to realize that they have not seized a golden opportunity.

"The city has enjoyed a steady decrease in taxes in recent years, and it has about reached the limit, beyond which lies curtailment or abolishment of necessary services. Purchase of the power utility through the Bartlett plan, and approval of the amendment to transfer surplus earnings of the water department for tax relief purposes, would have put us in a position to do something substantial in the way of real assistance to the public."

McCarthy's Views

Councilman Paul McCarthy, a leading spokesman for the amendments, said:

"In common with my fellow councilmen I regret that the propaganda of the power interests confused enough of the voters to defeat the amendments. The vote hinders the city council from helping the people as it proposed by providing new sources of revenue to relieve the tax burden.

"Taxes cannot be reduced without impairment of the service demanded of the city government in respect to police, fire and health service, street and sewer maintenance, library and other governmental matters.

"The amendments just defeated would have opened the way for the council to do what would have been equivalent to obtaining, without cost to the citizens and taxpayers, a public endowment of approximately a million dollars. By conservative investment of such a sum, an income of $50,000 a year would accrue perpetually. The annual profits of the light and power system of the Pacific Gas and Electric Company in our city at least equals, and probably exceed that sum.

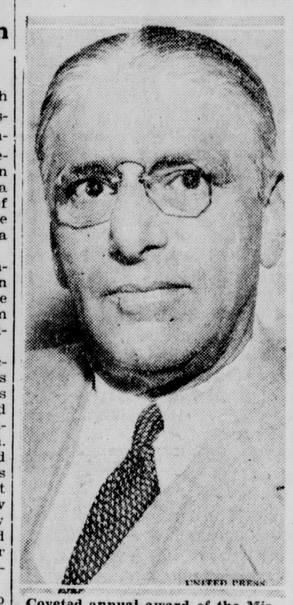
"Under our management they would be increased, in addition to affording a saving of $5000 or more to the city by obtaining at cost current for street lighting and water pumping, as shown by City Manager E. A. Rolison in The Tribune last Saturday.

"Proposal B would have permitted a substantial tax reduction each year hereafter through the application of part of the surplus of the city water department, now exceeding $43,000, to the general fund.

"We are all especially grateful for the loyal and courageous support given by The Tribune and its editorial and business staff from the beginning of our campaign. The Tribune's loyalty to the citizens shows that it has put civic duty ahead of mercenary profit.

"The knowledge and experience of City Manager Rolison have been of invaluable assistance to the council."

Awarded Honor



Coveted annual award of the Missouri School of Journalism "for distinguished international service" this year will go to B. W. Fleisher, publisher of the Japan Advertiser. Fleisher, who has been wintering in California, left recently for Tokio.

GAMBLING TRIAL IS DELAYED

SOUTH SAN FRANCISCO, March 28—The unexpected arrival of Undersheriff Lawrence Nieri halted the trial of three alleged Chinese gamblers in Judge Edward Farrell's court today, when the officer informed the court that the defendants, who were in the act of pleading guilty, were not the same men who were arrested in Visitacion March 18th.

Nieri had not been called in connection with the case, and his appearance in the caurtroom was unanticipated. He had been attending a coroner's inquest at Daly City, where a jury had found that the death of George Gernandt, who hanged himself in the county jail recently, was suicide.

The three Chinese on trial gave their names as Wong Fong, Lee Song and Won Lee. But Nieri told Judge Farrell that he did not recognize any of them as having been among the group arrested on gambling charges.

Judge Farrell immediately stopped the trial and ordered the defendants held in jail. He then ordered the bail bond broker to have the right men in court by three o'clock today.

Chief of police Louis Belloni aided Undersheriff Nieri in identifying the three Chinese.

For over a quarter of a century he was the tea examiner at the Appraisers' Building. Toohey was an expert tea taster. For many years he lived in China where he received his knowledge of the plant.

Large Vote Cast

By the large vote cast at the Tuesday election it was shown that the people are interested in their city affairs and want them conducted according to their own ideas. This is as it should be. The people should rule.

A few years ago only a minority of the electorate would go to the polls to vote, perhaps, on some large bond issue that would settle a large tax upon the property owner. But that day is gone. Taxpayers are taking an interest and will use the ballot in all public elections where property tax is concerned.

The vote on Tuesday demonstrated that the property owner was not in accord with the ideas of the city council.

Good Advice

A broad view of the world picture and the comparative peace in the United States so far as bloodshed and violence are concerned, will bring anyone but the most avowed internationalist to the conclusion that it is Uncle Sam's duty to stay away from foreign commitments so far as possible and to work out the economic salvation of his own people. This does not mean, of course, that we ought to fail to cooperate in any sound and constructive world-wide effort to restore normal conditions. But it does mean that we ought not sacrifice legitimate American interests for the benefit of Europe and a few of our own internationalists. Nor does it mean that we ought to join in a world-wide declaration of embargoes or economic boycotts against some nation whose political course in the world does not meet with our entire approval. The best way to keep out of trouble is to stay at home and mind one's own business. And it is a sure guess that we will not restore normal conditions at home unless we keep out of trouble abroad.

Frank Merriam, the genial lieutenant-governor of California, isn't going to let former Governor Young do all the talking over the state. He is going to do his full share and just now he is giving particular attention to this part of the state.

Despite the strenuous efforts of Ramsay MacDonald in behalf of his own country he is continually threatened with being unseated by the tories who are objecting strenuously to Great Britain's foreign policy.

A slow thinking and moving congress is finding it difficult to keep up with the pace of President Roosevelt and as a result there is a clamor right now for a little less speed and time to think some things over.

Besides the charge of having lived off charity for five years, a San Francisco man is now facing court as an alleged bootlegger. But why should any bootlegger ever have needed any charity?

MENLO PARK

(Continued from Page One)

ing a keen legal mind.

The members of St. Joseph's Alumni Association will receive Holy Communion in a body at the 8 o'clock mass in the Church of the Nativity Sunday morning. This annual Communion will have a larger attendance than ever before in the history of the organization.

Menlo Park's City Council will consider the beer sales problem at a special meeting to be held in the city hall here next Tuesday evening.

This was decided by members of the council Tuesday night after Miss Sarah Fry pleaded with the board that the city itself should control liquor sales and should operate the only beer store in the community.

Describing herself as a life-long prohibitionist and emphasizing her belief that the eighteenth amendment has been a success, Miss Fry declared that as long as liquor is returning, it must be controlled. If private individuals are allowed to sell the liquor, she said, the profits benefit them alone, and the beer would be likely to be adulterated as it had been before prohibition.

For Voters Only

Miss Fry urged the city of Menlo Park to operate its own store, where only registered voters of the Menlo Park district would be allowed to purchase beer. Sales in bulk only would be permitted. The liquor store should be made of glass, she asserted, and should have no "back room."

The restriction of sales only to registered voters of the district was considered highly important by Miss Fry, so that outside people could not buy additional supplies of liquor as they motored down the penisula. She believed that this would serve to prevent drunkenness.

Miss Fry declared that her plan would guard against the return of the old saloon and would give any profits from the liquor traffic to the people themselves and thus save taxes instead of filling the pockets of a few individuals. The provision that only registered voters might buy the liquor, if it were generally adopted, would lead to compulsory registration and compulsory voting, two much needed reforms, Miss Fry asserted.

Because of complaints by the county relief bond committee that an honest day's work has not been given by some of the men given jobs here under the relief bond issue projects, C. O. Mehl was appointed foreman of the work gangs at a wage of 50 cents an hour.

William K. White, chairman of the local unemployment relief committee, told the council that he had received numerous complaints from the county committee and declared that it was important that an honest day's work be given by the workers, although he recognized that some of them were unable physically to give high performance. "But if a man is loafing on the job, he is robbing the taxpayers, White pointed out. He added that no shirker would be given a work ticket.

Working in Menlo Park regularly are 12 men on relief bond issue projects and six men paid by funds contributed to the local relief committee. The council last night at the suggestion of Mr. White passed a resolution that these last six men were to be under the city's workmen's compensation insurance act. The sum of $100 was set aside for materials to continue building drainage sumps, one of the relief projects.

Consideration of a request from the Menlo Park Post No. 442, American Legion, for the refund of $7.50 spent for a license and police protection at a dance last fall was delayed because several councilmen were under the impression that the refund had already been given.

Mrs. James B. Howell, chairman of the Menlo Park branch of the Red Cross since its organization, has resigned and will turn the work over to Mrs. Peter E. Bush. Her resignation was accepted by the branch with regret, coupled with expressions of appreciation for her services in getting the work in smooth running order.

Although she plans to be away for much of the summer, Mrs. Howell promises to give all possible assistance to the new chairman.

Headquarters of the Red Cross in Menlo Park will be open hereafter only on Mondays and Fridays, from 1 to 3 p. m. Free potatoes, given for three months by Mrs. Leslie Miller Moore, are no longer available at the Red Cross office.

Whittel to Appeal Whipping Verdict

Appeal from a jury's verdict taxing him with a $5,062 judgment for a whipping suffered by Mrs. Evelyn Turner three years ago was started today by Captain George Whittell, Woodside capitalist and sportsman.

Grounds cited as a reason for appeal were technical, based upon alleged errors of law, newly discovered evidence and alleged misconduct on the part of the jury in the jury room.

In an effort to safeguard them from holdups, "petting parties" will be advised to "move on" when found parked on San Mateo county highways, Capt. Paul Perussina reported today.

F. H. Barnickol Will Placed on File Here

The will of Fred H. Barnickol, 59, of Woodside, was filed for probate with County Clerk Elmore B. Hinman in Redwood City today.

Mrs. Housewife
BALANCE THIS BUDGET!

Here are the actual costs of operating two different refrigerators . . . one a good grade of so-called "electrical" unit, the other a scientific, 1933 *ice* refrigerator. Compare them . . . and let the figures speak for themselves!

	'Electrical' Refrigerator Initial Cost $150	1933 Ice Refrigerator Initial Cost $45
DEPRECIATION per year ('Electrical' machine lasts 10 years, ice refrigerator 7 years.)	$21.43	$2.25
INTEREST per year (6% on money invested)	9.00	2.70
REPAIRS (average per year)	15.00	(Nothing)
REFRIGERATING COST per year (Electric power or ice)	30.00	32.15
TOTAL COST per year	$75.43	$37.10

Ice saves you over $3.00 per month!

Think of it! The average ice bill for 25,000 customers in a California city is only $2.68 per month. *Genuine ice refrigeration costs you only half as much as a mechanical substitute!* And only *ice* gives *complete refrigeration* . . . for only ice keeps food from drying out, washes food odors down the drain, and maintains a safe and even degree of cold. Use ice for greater food protection at lower cost.

New low prices on Ice Refrigerators. Easy terms. Generous allowance on your old ice box

For safe cold plus flavor protection . . . *use*

"The Worthy Master Pierre Patelin," a farce of mediaeval times, author unknown, and "Mere Man," an ultra-modern farce by Alice Gerstenberg, are the two productions to be staged under the direction of Claude Van Patten, dramatics instructor.

Casts have been selected as follows:

"The Worthy Master Pierre Patelin"—Julio Francescutti, Patelin; Irene Rixen, Mrs. Patelin; Henry Kalteren, a dealer in woolens; Francis Hutchinson, a judge; Delmer Filley, a shepherd, and several minor characters.

"Mere Man"—Helen Quilfelt, a pianist; Annette Spohr, doctor; Josephine Hogevoll, financial expert; Elise Werthman, lawyer, and Eleanor Woodcock, press agent.
